

Softball Strength & Conditioning Plan (High School Level)

Equipment: Dumbbells (5–35 lbs), 10 lb kettlebell, bench, treadmill

Time: 45–60 minutes per day, 5 days per week

Day	Focus
Monday	Lower Body + Core (Leg Power)
Tuesday	Upper Body + Core (Arm Strength & Stability)
Wednesday	Cardio + Mobility (Stamina & Recovery)
Thursday	Full Body Power (Explosiveness)
Friday	Speed + Agility + Core (Quickness & Rotation)
Weekend	Rest & Recovery

Monday

- Goblet Squats – Hold a dumbbell at chest; squat down, stand tall.
- Romanian Deadlifts – Hold dumbbells in front; hinge at hips, back straight.
- Step-Ups – Step onto bench, drive through heel; alternate legs.
- Glute Bridges – Lift hips off floor until body forms straight line.
- Plank – Hold forearm plank, core tight.

Tuesday

- Dumbbell Bench Press – Lie on bench; press dumbbells up, lower slowly.
- 1-Arm Rows – Pull dumbbell to rib cage, elbow close to body.
- Shoulder Raises – Lift dumbbells front and side.
- Bicep Curls – Elbows close; curl and lower slowly.
- Tricep Kickbacks – Extend arm straight back, squeeze tricep.
- Russian Twists – Twist torso side to side holding light weight.

Wednesday

- Treadmill Intervals – 2 min jog / 1 min walk (25–30 min).
- Stretch – Hamstrings, shoulders, hips; optional yoga or foam roll.

Thursday

- Dumbbell Thrusters – Squat and press dumbbells overhead.
- Kettlebell Swings – Swing to shoulder height using hip drive.
- Dumbbell Snatch or Clean – Lift dumbbell explosively to shoulder.
- Push-Ups – Lower chest to floor, then press up.
- Side Planks – Hold body straight on one forearm, switch sides.

Friday

- Treadmill Sprints – 20 sec sprint / 60 sec rest × 5.
- Lateral Hops – Jump side to side quickly.
- Skater Jumps – Sideways jump landing on one leg.
- Dumbbell Side Bends – Bend sideways at waist, return upright.
- Sit-Ups or V-Ups – Raise chest (and legs for V-Ups).

Weekend

- Rest, light walk, or yoga. Focus on hydration, sleep, and recovery.
